Petition Small Claims Court

The plaintiff states he/she has a claim against the defendant in the amount of \$ \$2,000.00. The claim arose on or about August 1, 2016 (date) as a result of the following events:

I, Rogelio Navarro gave Efrain Martinez \$2,000.00 deposit for a 6 week contract for 24 people ~~and~~ to be housed at 804 St. Francis Street, Kennett, MO Efrain Martinez assured me that the property was already inspected for housing. My crew comes from Mexico with a H2A U.S. Workers Program to work in the fields. He signed this contract, but lied, his property was residential and does not qualify for that many people. The most he can ~~put~~ put in one apartment is 3 people, another 3 people in another apartment and in the apartment upstairs ~~maybe~~ maybe 5 - 6 people.

I sent the contract to the Chicago Office of the Workers Program and they wanted an inspection, the ~~inspection failed~~ (include additional page if necessary) Inspection failed. I demanded my money back from Efrain Martinez and he refused.

The plaintiff states that the information contained in this petition is true and correct to the best of his/her knowledge, that he/she is not an assignee of this claim and that he/she has not filed more than twelve (12) other claims in the Missouri small claims courts during the current calendar year.

The plaintiff understands that, should he/she be successful in this action and obtain judgment, and if the defendant does not appeal within ten days, this judgment becomes final. The plaintiff cannot commence another action involving the same parties and issues. The plaintiff understands that he/she is waiving the right to jury trial on these issues in the small claims court.
